EDUCATION

Web Development

Masterschool

📅 2022

Software Engineering

University of Gothenburg

📅 2013 - 2016

EXPERIENCE

Personal Assistant

Humana

📅 2020 - Present 📍 Sweden

- As an assistant for persons with special needs I have developed empathy which has been vital in creating web experiences that are not only inclusive but accessible.

Personal Assistant

Ro Omsorg

📅 2019 - 2020 📍 Sweden

- Working with persons with special has helped me develop tolerance during stressful times which has been important and will continue to be during my ongoing studies as I am a lifelong learner.
